**ARABICA EA81 FULLY AUTO ESPRESSO MACHINE**  
FULLY AUTO PICTO ARABICA BLACK  
EA811010

## Delivering the essence of espresso straight to your cup

Experience the essence of espresso made effortless with the KRUPS Arabica **automatic espresso machine**. With all the convenience of a compact format and no compromise on capacity, easy-to-use features come together with advanced technology, for the true taste of coffee and espresso delivered straight to your cup.

## PRODUCT BENEFITS

### Enjoy Perfect Espresso With Absolute Ease

A simple, straight-forward machine with advanced technology to unleash the true taste of coffee at its purest essence, for exceptional drinks bursting with flavor and aroma.

### Compact design with uncompromising capacity

Discover the best of both worlds, with all the convenience of a compact design without any compromise on capacity.

### Advanced technology for flawless coffee

KRUPS Quattro Force optimizes every step of the espresso-making process from bean to cup: with 20% faster grinding, ultraflat tamping, outstanding percolation and advanced drainage for long-lasting performance.

### Temperature and grinding control

Grinding control lets you produce the perfect consistency according to your desired drink, from full-bodied espresso to lungo coffee, with flawless temperature control for outstanding results.

### Steam Nozzle for excellent cappuccino

Easy to clean for added convenience and hygiene, the steam nozzle is the finishing touch for a wide variety of drinks, helping you enjoy a perfectly frothy cappuccino at home.
